

CAN YOU IDENTIFY THIS PICTURE?

The resident to identify the picture of the Scotland Eagles Basketball team of 1949 in the summer issue of the "Greene Informer" was Mrs Betty White of Chambersburg. Included in the picture from left to right are: (seated) Glenn Ott, Jack Furry, Carl Zeiger, Vaden Feldman, Jack Peters, Sam Wadel; (standing) Harry (Hank) Furry, John Sleighter, Lynn Etter, Harold (Pete) John, Donald Ott, Grant Pensinger.

We remind you that we welcome any Township resident who has an old photo of a special or landmark place in Greene Township to bring the photo to the Township Office for a future issue of the "Greene Informer." The picture will be returned to you.

FALL 1999

COMPOSTING FACILITY TO REOPEN IN GREENE TOWNSHIP

Greene Township received a grant from the Pennsylvania Department of Environmental Protection. This grant was for the construction and management of a yard waste composting facility in Greene Township. The total amount of the grant was \$182,000 000. This money is to be used for equipment, design, operational design, and community education programs. The facility is now in operation and is located on Mickey Inn Road. The hours of operation are Saturday 8 AM to 4 PM. The facility will open October 9th and will remain open until further notice to accept discarded leaves, and brush (3" in diameter). The facility will be closed October 23rd because of bulk collection day. Later this year the site will be completed with the addition of a building and a fence. When the compost is ready, Township residents may come and take it home. The Township is not sure whether it will charge for the compost.

We would like to remind the Township residents that the compost facility will not accept bulky items at the site. The Township sponsors a bulk collection day twice a year on Garver Lane in Scotland. The next one is October 23, 1999. The Compost facility will not be open on this date.

INSIDE THIS ISSUE

- 1 Composting Facility, Bulk Collection
- 2 Supervisor Change, Annual Fall Convention
- 3 PA Census 2000, Snow Removal Reminder
- 4 Can you Identify this Picture?

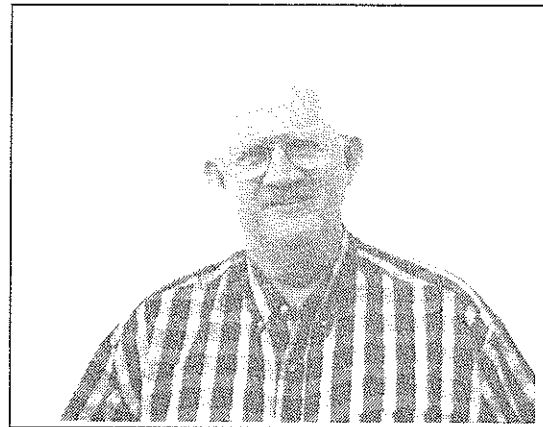

BULK COLLECTION DAY

Bulk collection day has been scheduled for Saturday, October 23, 1999. The collection will be at the Township building located a 1145 Garver Lane in the Village of Scotland. The collection will begin promptly at 6:00 AM and will finish at 4:00 PM. Items to be collected include: household appliances such a stoves, washers, dryers, refrigerators, water heaters, box springs, mattresses, microwaves, furniture, bicycles, and lawnmowers. In addition scrap iron, tin, metal, brass, and copper. Unacceptable items include batteries, pieces of batteries, gas tanks, tires, closed containers of any kind, motor oil, lumber, and any material considered hazardous. Items that are collected by regular refuse will also not be accepted.

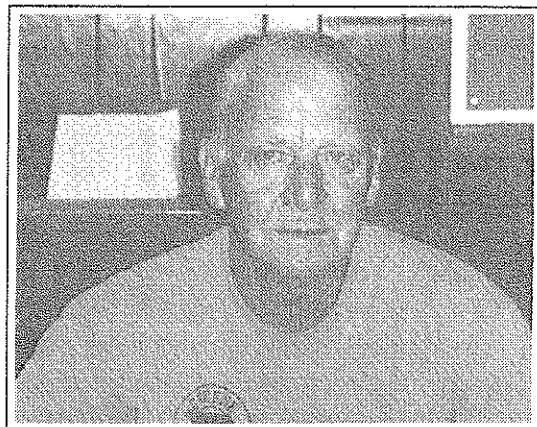

Remember only Greene Township residents may take advantage of bulk collection day. Please have your driver's license ready when you come to the facility. Greene Township thanks you for your participation

Duplicate mailings? Not receiving the Informer? Please contact the Township Office at 263-4990 if you are receiving duplicate mailings or know of someone who is not receiving the Informer. We will be glad to make the correction and/or add residents' names to the mailing list. Thank you!

Jack Furry

Richard Kramer

It is with deep sadness that the Greene Township Board of Supervisors, staff, and Township residents said good-bye to Supervisor Richard P. Kramer who passed away on August 31, 1999, after succumbing to cancer. Dick will be deeply missed by those who knew him and worked with him, whether a few years or many years. The board of Supervisors appointed Jack W. Furry to Dick's term until the end of 1999. Dick had formerly been a Supervisor since 1970. Ironically, it was the retirement of Jack in 1998 that prompted the appointment of Dick to fulfill Jack's term. Jack Furry is a former Township Supervisor and well familiar with the workings of the Township.

TOWNSHIP OFFICIALS ATTEND FALL COUNTY CONVENTION

The Franklin County Association of Township Officials (comprised of Supervisors, Auditors, Secretaries, Treasurers, Tax Collectors, Managers, Engineers, Solicitors, and Assessors) held its 87th Annual Fall Convention at the Franklin County Career and Technology Center, Loop Road, Chambersburg. The Association is represented by all fifteen (15) Townships located in Franklin County. There were approximately 160 persons in attendance that included Township officials, invited guests (which included state and local officials), and various advertisers and / or vendors. The featured speaker was Mrs. Marian Nailor from the Pennsylvania State Association of Township Supervisors who updated those in attendance on various issues and concerns for local municipalities.

Pennsylvania's Census 2000

In the near future, you will be receiving by mail a package from the Census Bureau. It is important that you fill this information out and return it to the Census Bureau by April 1, 2000. As a local leader, we are in the position to help make Census 2000 one of the most accurate and complete counts in history. By completing the census forms by next April, you're helping to better your community. How? One is just simply money.

Many state and federal programs are distributed to municipalities based on census figures. Federal programs include water and sewer projects, economic development and schools. Pennsylvania programs that are census dependent include Liquid Fuels Fund, the Volunteer Firemen's Relief Fund and the Community Development Block grant (CDBG) program. Franklin County receives Federal and State dollars for each person that lives in the County. The per capita amount received from the 1990 Census averaged \$577.00 per year over the past 10 years. It is estimated that since 1990, Pennsylvania has not received some \$210,000,000 in federal funds due to an estimated undercount of 35,000 people in the last census.

Information is available on the Internet at <http://www.census.gov> about the census and how the information is used. Please complete your forms and help Greene Township obtain a complete count of its residents. If you have any questions or concerns, please contact the Township at (717) 263-9160. Remember, we all count for Census 2000.

SNOW REMOVAL REMINDER

Please remember to help the Township help you during snow events this winter. Please remember to park your cars off of the paved surface of the road. Remove all obstructions from the cul-de-sacs so that the snow can be removed completely. Section 3709 of the Pennsylvania Vehicle Code prohibits the placement of rubbish, glass, metal, trash, or any other substance dangerous or detrimental to the safety of the traveling public. This includes shoveling or plowing snow or ice onto the road right of way. Violators may be fined a maximum of \$300.00 per offense. Please remain clear of the rear of the snowplows because of the salt and anti-skid that are dispersed. When removing snow from your driveways you may want to wait until the plows have completed their removal. Please remember that our snowplows stop and back up often. Please do not follow too closely or have your car where the operator cannot see you. If you can't see the snowplow's mirrors then the operator can't see you. During the snow events please stay off the roads unless it is absolutely necessary for you to be traveling.

Greene Township's Trick-or-Treat night will be held on Saturday, October 30th from 6:00PM until 8:00PM. Have a safe and *HAPPY HALLOWEEN!*
