GREENE TOWNSHIP PROVIDES ADDRESS SIGNS

The Greene Township Board of Supervisors is initiating the placement of reflective address signs throughout Greene Township. The Greene Township Board of Supervisors voted unanimously at their July 25, 2000 meeting to purchase these address signs for every address in Greene Township.

The Board feels that poorly marked addresses in the Township are a significant public safety issue. At times emergency services personnel have a very difficult time responding to poorly marked addresses. That difference in response time could make the difference between life and death. We would like to provide one reflective address sign to every address in the township, free of charge. The address sign should be placed on the same side of the street as the corresponding home.

Greene Township's first due fire companies have agreed to administer the program for the Board of Supervisors. With proof of residence, any individual may pick up their reflective address sign at their first due fire company. They are as follows: Fayetteville Volunteer Fire Company, Main Street, Fayetteville, 352-3131; Pleasant Hall Volunteer Fire Company, 9722 Cumberland Highway, Pleasant Hall, 532-5155; West End Fire Department, Lurgan Avenue, Shippensburg, 532-5555; Franklin Fire Company, Corner of Franklin & King Streets, Chambersburg, 709-0633.

The 6' x 18' signs are 100% aluminum laminated with 3M engineer grade reflective vinyl.

If anyone has questions regarding the reflective address signs, please call the Greene Township Board of Supervisors at (717) 263-9160.
