Fall 2005 Bulk Collection Mark Your Calendar!

Bulk Collection days for fall 2005 have been scheduled for Friday and Saturday, **September 23 & 24, 2005**. The collection will be at the Township building located at 1145 Garver Lane in the village of Scotland. The collection on Friday will begin at 7:00 AM and will finish at 3:00 PM. The collection on Saturday will begin at 6:00 AM and will finish at 4:00 PM. This service is provided free of charge to the residents of Greene Township from the supervisors. Please inform your neighbors and friends of this service and encourage them to participate.

Please do not bring batteries, liquefied paints, spray cans, fuel drums, and other hazardous materials. We are unable to accept them. In addition, construction debris will not be accepted. Arrangements need to be made with the landfill to dump construction debris. We will accept items not picked up by your regular trash service but we do not accept regular household trash. Yard waste is also not accepted during bulk collection. Greene Township accepts yard waste on a regular basis at our composting facility on Mickey's Inn Road.

Please contact the Greene Township Board of Supervisors at (717) 263-9160 with any questions regarding our upcoming bulk collection days.

NOTE: We will accept propane bottles again this fall. We will accept up to eight tires per household for disposal this fall. We will only accept standard car or pick-up truck tires. Rims and tires must be separated.

Greene Township's Trick-or-Treat night will be held on Monday, October 31st from 6:00PM until 8:00PM

Halloween can be a time of fun and festivity. Follow these simple tips provided by the Home Safety Council (www.homesafetycouncil.org) to ensure safety during this time as well:

- Only permit trick-or-treating at the homes of friends and neighbors you know well.
- When purchasing costumes and accessories, buy only those marked "flame retardant" or "flame resistant". Avoid costumes made of long, flowing material and accessories that can move or blow over open flames.
- Choose costumes that are light, bright and clearly visible. Apply reflective tape to the front and back of costumes to help motorists see your child.
- Avoid costumes that block your child's vision and increase the risk of a fall. To keep vision clear, consider using face paint instead of a mask.
- Give your child a flashlight to light the way and signal drivers of his or her presence. Never carry candles, torches or other open flames as part of a costume.
- Examine all treats thoroughly before allowing children to eat them. Throw away open treats, those not in their original wrapping and homemade goodies from unknown sources. Slice open fruit to check for foreign objects.

Have a SAFE and HAPPY HALLOWEEN!!!

Greene Township Comprehensive Plan Update

The Greene Township Board of Supervisors is currently in the process of compiling data for update of the Greene Township Comprehensive Plan. A joint public meeting was held by the Supervisors and Planning Commission on July 13, 2005 to review information and data from the Township Planner and comments and suggestions from township residents.

A second joint public meeting is to be held on September 14, 2005 to receive additional data from the Township Planner and to provide the public an opportunity to comment and ask questions during the plan update. Please contact the Greene Township Board of Supervisors at (717) 263-9160 with any questions regarding the Comprehensive Plan update.

The composting facility accepts most types of yard waste except grass clippings. All material generated by the composting facility is available to township residents at a cost of \$5.00 per pick-up load. At various times during the year, after completing the composting process, leaf compost and bark mulch are available for pick-up. Material is on a first come first served basis. You may stop by the facility on Mickey's Inn Road during regular hours to check on availability.

The Greene Township yard waste composting facility is a service provided by the Greene Township Board of Supervisors and is partially funded through recycling grants provided by the Pennsylvania Department of Environmental Protection.
