

Spring 2006 Bulk Collection Mark Your Calendar!

Bulk Collection days for spring 2006 have been scheduled for Friday and Saturday, April 21 & 22, 2006. The collection will be at the Township building located at 1145 Garver Lane in the village of Scotland. The collection on Friday will begin at 7:00 AM and will finish at 3:00 PM. The collection on Saturday will begin at 6:00 AM and will finish at 4:00 PM. This service is provided free of charge to the residents of Greene Township from the supervisors. Please inform your neighbors and friends of this service and encourage them to participate.

Please do not bring batteries, liquefied paints, spray cans, fuel drums, and other hazardous materials. We are unable to accept them. In addition, **construction debris will NOT be accepted**. Arrangements need to be made with the landfill to dump construction debris. We will accept items not picked up by your regular trash service but we do **NOT accept regular household trash (bags of garbage, recyclables, etc)**. Yard waste is also not accepted during bulk collection. Greene Township accepts yard waste on a regular basis at our composting facility on Mickey's Inn Road.

Please contact the Greene Township Board of Supervisors at (717) 263-9160 with any questions regarding our upcoming bulk collection days

NOTE: We will accept 20 lb. propane bottles again this spring. We will accept up to eight tires per household for disposal this spring. We will only accept standard car or pick-up truck tires. Rims and tires must be separated.

Composting Facility

The Greene Township yard waste composting facility will continue to be open Wednesdays, Fridays and Saturdays from 8:00a.m. until 1:00p.m. This schedule will continue throughout the year except on holidays, holiday weekends or special events such as bulk collection days. If the compost facility will be closed, signs will be posted at the gates.

The composting facility accepts most types of yard waste except grass clippings. All material generated by the composting facility is available to township residents at a cost of \$5.00 per pick-up load. At various times during the year, after completing the composting process, leaf compost and bark mulch are available for pick-up. Material is on a first come first served basis. You may stop by the facility on Mickey's Inn Road during regular hours to check on availability.

The Greene Township yard waste composting facility is a service provided by the Greene Township Board of Supervisors and is partially funded through recycling grants provided by the Pennsylvania Department of Environmental Protection.
