## GREENE TOWNSHIP PARK UPDATE

Earthmoving and excavation activities continue to make progress and will continue through the winter months on Phase I of the Greene Township Park located off Elevator Street and Black Gap Road in Scotland.

Proposed improvements for Phase I include two soccer/multi purpose fields, an adult baseball field, a youth baseball/softball field, tot lot, walking trails, picnic areas, pavilions, restrooms/concession building and parking areas

## SPRING LEAF & BRUSH COLLECTION

Greene Township will be commencing Spring leaf & brush pick-up April 2, 2007 through April 19, 2007. This operation will begin in the easternmost portion of Greene Township in the Fayetteville area and will move west until completed. The collection crew will make ONE pass through the Township. Please rake your leaves and place brush at the edge of your yard, no further than four feet from the edge of the pavement of the road. Do not bag your leaves. The leaves and brush must be on separate piles in order for the township machinery to collect it and must be placed for pick up on the first day of the collection schedule. If the brush and leaves are not separated, they will not be collected.

## Spring 2007 Bulk Collection Mark Your Calendar!

Bulk Collection days for spring 2007 have been scheduled for Friday and Saturday, April 20 & 21, 2007. The collection will be at the Township building located at 1145 Garver Lane in the village of Scotland. The collection on Friday will begin at 7:00 AM and will finish at 3:00 PM. The collection on Saturday will begin at 6:00 AM and will finish at 4:00 PM. This service is provided to the residents of Greene Township from the supervisors. Please inform your neighbors and friends of this service and encourage them to participate.

Please do not bring batteries, liquefied paints, spray cans, fuel drums, and other hazardous materials. We are unable to accept them. In addition, **construction debris will NOT be accepted**. Arrangements need to be made with the landfill to dump construction debris. We will accept items not picked up by your regular trash service but we do **NOT accept regular household trash (bags of garbage, recyclables, etc.)**. Yard waste is also not accepted during bulk collection. Greene Township accepts yard waste on a regular basis at our composting facility on Mickey's Inn Road.

Please contact the Greene Township Board of Supervisors at (717) 263-9160 with any questions regarding our upcoming bulk collection days.

**NOTE:** We will accept 20 lb. propane bottles again this spring. We will accept up to eight tires per household for disposal this spring. We will only accept standard car or pick-up truck tires. Rims and tires must be separated.

## Composting Facility

The Greene Township yard waste composting facility will continue to be open Wednesdays, Fridays and Saturdays from 8:00a.m. until 1:00p.m. This schedule will continue throughout the year except on holidays, holiday weekends or special events such as bulk collection days. If the compost facility will be closed, signs will be posted at the gates.

The composting facility accepts most types of yard waste except grass clippings. All material generated by the composting facility is available to township residents at a cost of \$5.00 per pick-up load. At various times during the year, after completing the composting process, leaf compost and bark mulch are available for pick-up. Material is on a first come first served basis. You may stop by the facility on Mickey's Inn Road during regular hours to check on availability.

**The Greene Township yard waste composting facility is a service provided by the Greene Township Board of Supervisors and is partially funded through recycling grants provided by the Pennsylvania Department of Environmental Protection.**
