## Spring 2010 Bulk Collection Mark Your Calendar!

Bulk Collection days for Spring 2010 have been scheduled for Friday and Saturday, April 16 & 17, 2010. The collection will be at the Township building located at 1145 Garver Lane in the village of Scotland. The collection on Friday will begin at 7:00 AM and will finish at 3:00 PM. The collection on Saturday will begin at 6:00 AM and will finish at 4:00 PM. This service is provided to the residents (not commercial) of Greene Township from the supervisors. Please inform your neighbors and friends of this service and encourage them to participate.

Residents should bring drivers license as a form of identification or have a Greene Township identification sticker on the vehicle. A bulky item is an item that will not fit in your garbage container or weighs more than 50 pounds. Bulky items must be free of all garbage. Building materials, loose material and items that can be broken down to fit in a garbage container are not bulky items and will not be accepted.

Please do not bring liquefied paints, spray cans, fuel drums, and other hazardous materials. We are unable to accept them. In addition, **construction debris will NOT be accepted.** Arrangements need to be made with the landfill to dump construction debris. We will accept items not picked up by your regular trash service but we **do NOT accept regular household trash (bags of garbage, recyclables, etc).** Yard waste is also not accepted during bulk collection. Greene Township accepts yard waste on a regular basis at our composting facility on Mickey's Inn Road.

Please contact the Greene Township Board of Supervisors at (717) 263-9160 with any questions regarding our upcoming bulk collection days.

**NOTE: Beginning this spring we will accept vehicle batteries. We continue to accept 20 lb. propane bottles as well as up to eight tires per household for disposal this spring. We can only accept standard car or pick-up truck tires. Rims and tires must be separated.**

## United States CENSUS 2010

Greene Township is partnering with the U.S. Census Bureau to conduct the 2010 Census counts.

### What is the Census?

- The census is a count of everyone living in the United States every 10 years.
- The census is mandated by the U.S. Constitution
- The next census is in 2010.
- Your participation in the census is required by law.
- It takes less than 10 minutes to complete.
- Federal law protects the personal information you share during the census.
- Census data are used to distribute Congressional seats to states, to make decisions about what community services to provide, and to distribute \$300 billion in federal funds to local, state and tribal governments each year.

The Greene Township Board of Supervisors would like to encourage you to complete & return your Census Questionnaire when you receive it in early 2010. Spending just a few minutes to fill out your census form will help ensure our community gets its fair share of federal and state funding.

Any questions in this regard may be directed to the Board of Supervisors at (717)263-9160.

## GREENE TOWNSHIP MUNICIPAL AUTHORITY SEWER CUSTOMERS

Included with previous billing there was enclosed a notice for all customers to contact the GTMA Office to set up an appointment to have an inspection done at your property to insure that there are not sump pump or downspout connections going directly into the sewer system. **This inspection must be done even if your residence does not have a sump pump.** If you have not scheduled your appointment, please contact the GTMA Office at (717) 263-5324 to schedule an appointment time for your property. The composting facility accepts most types of yard waste except grass clippings. **All material generated by the composting facility is available only to current township residents (photo identification will be required) at a cost of \$5.00 per small bucket scoop and \$10.00 per large bucket scoop. No dump truck loads permitted.** At various times during the year, after completing the composting process, leaf compost and bark mulch are available for pick-up. Material is on a first come first served basis. You may stop by the facility on Mickey's Inn Road during regular hours to check on availability.
