Spring 2013 Bulk Collection

Mark Your Calendar!

Bulk Collection days for Spring 2013 have been scheduled for:

Friday, April 19, 2013 7:00 AM – 3:00 PM
Saturday, April 20, 2013 7:00 AM – 4:00 PM

The collection will be at the Township building located at 1145 Garver Lane in the village of Scotland. This service is provided to the residents (not commercial) of Greene Township from the Supervisors.

Residents should bring drivers license as a form of identification or have a Greene Township identification sticker on the vehicle. A bulky item is an item that will not fit in your garbage container or weighs more than 50 pounds. Bulky items must be free of all garbage. Building materials, loose material, and items that can be broken down to fit in a garbage container are not bulky items and will not be accepted.

Please do not bring liquefied paints, spray cans, fuel drums, and other hazardous materials. We are unable to accept them. In addition, **construction debris will NOT be accepted.** Arrangements need to be made with the landfill to dump construction debris. We will accept items not picked up by your regular trash service but we **do NOT accept regular household trash (bags of garbage, recyclables, etc).** Yard waste is also not accepted during bulk collection. Greene Township accepts yard waste on a regular basis at our composting facility on Mickey Inn Road.

ELECTRONIC RECYCLING: We will be accepting "covered" electronic devices this Spring. For additional information on electronic recycling please read the article on page two of this newsletter or visit our website.

NOTE: Vehicle batteries will be accepted again. We continue to accept 20 lb. propane bottles as well as up to eight tires per household for disposal this Spring. We can only accept standard car or pick-up truck tires. Rims and tires must be separated.

Spring Brush & Leaf Collection

Greene Township will be commencing **Spring brush and leaf pick-up** during the following dates:

Tuesday, April 23 – Friday, May 10, 2013

The collection crew will make ONE pass through the Township. Please place your brush and rake your leaves to the edge of your yard, **no further than 4 feet from the edge of the pavement of the road**. Do not bag your leaves. **Brush should be no longer than 8 feet in length and no bigger than 3 inches in diameter**. The brush and leaves must be on **separate piles** in order for the Township machinery to collect it and must be placed for pick up on the **first day** of the collection schedule. If the brush and leaves are not separated, they will not be collected. Please avoid placing brush and leaves next to mailboxes, fence posts, etc. as they can be damaged by the equipment.

Electronic Recycling

Covered Device Recycling Act

Passed in 2010, the Pennsylvania Covered Device Recycling Act went into effect January 24, 2013. From this point forward certain “covered” electronic devices can no longer be put in curbside trash – they must be recycled. Covered devices include: desktop computers, laptop computers, computer monitors, *computer peripherals* and televisions.

A computer peripheral is a keyboard, printer or any other device sold exclusively for external use with a computer that provides input into or output from the computer.

More information about this law can be found on the website of the Pennsylvania Department of Environmental Protection.

Conococheague Trailway Feasibility Study

The Greene Township Board of Supervisors is pleased to announce that the Conococheague Trailway feasibility study has been completed. The Township received a grant from the Appalachian Trail Conservancy, the South Mountain Partnership and DCNR to complete the study. The study identifies the possibility of connecting Caledonia State Park and the Appalachian Trail to the Chambersburg Borough Rail Trail and also the possibility of connecting Greene Township Park to Norlo Park in Guilford Township with a non-motorized walking, biking and hiking trail. The study identifies a possible trail corridor linking these destinations together. To learn more about the study please contact the Board of Supervisors. You may visit the Township website for more information as well.

Greene Township Email

Greene Township and Greene Township Officials now have new email addresses. To reach our new general office address please use the following:

[greene@greenetwp.us](mailto:greenetwp.us)

For new Supervisor and staff addresses please visit our website and select the “**Township Officials**” link located on the left side of our home page.

Our website address remains the same, so if you are looking for an easy and fast way to access Township information please visit us at:

www.twp.greene.franklin.pa.us

Street Sweeping

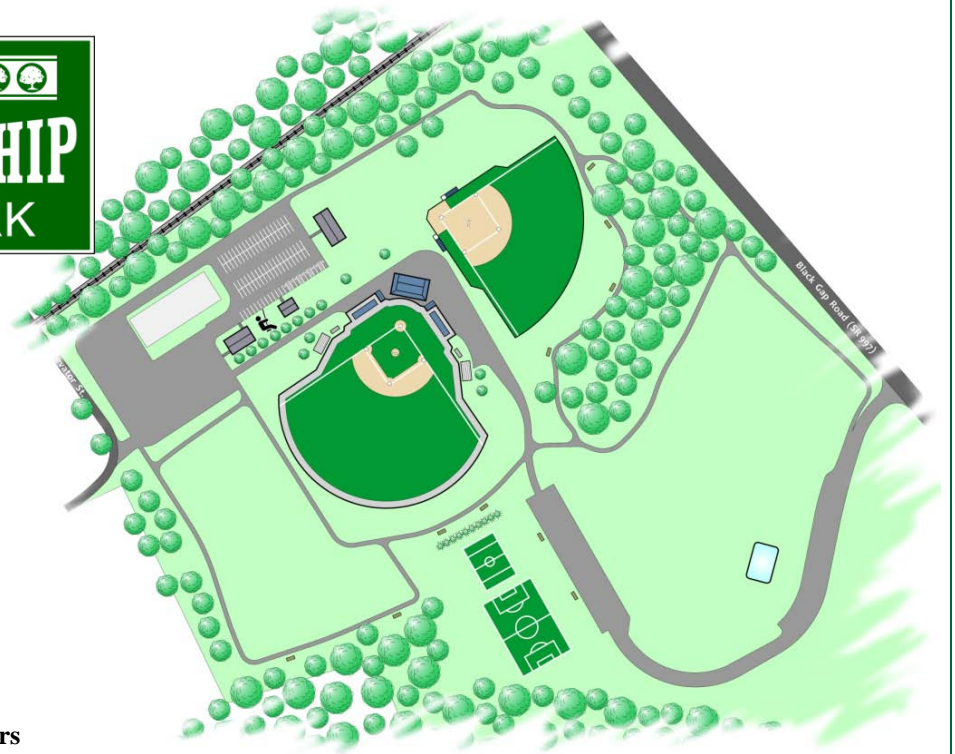

The Greene Township street sweeper will be making passes through the Township to clean anti-skid and other materials left on the roadway this winter. The sweeper will make passes through the Township to allow you to clean your lawns of road material by placing it on the edge of the roadway. The sweeper will make only ONE pass. The sweeper has been out in some areas where excessive material has accumulated. It will make a return pass to those areas at a later date.

**GREENE TOWNSHIP
MUNICIPAL PARK**

The Greene Township Park is open daily to the public from dawn until dusk. Please stop by and take advantage of our facilities.

**Greene Township
Board of Supervisors**

Spring has arrived and summer is just around the corner. What better time to visit our ever growing park. Two of our outdoor picnic pavilions are ready for use. They are located between the baseball field and large parking area. The third and largest pavilion will be available in the late spring. Fees for pavilion rentals are as follows:

Small Pavilion	\$45 per use
Medium Pavilion	\$60 per use
Large Pavilion	\$85 per use

For further information and reservations please contact the Township office at (717) 263-9160.

The playground area is complete and is located by the pavilions – a great place for the kids to play while you take a walk or jog on our 1.6 miles of paved trails. If you'd like a detailed map of our park please visit our website for a printable version. The map also includes general information about our park and trail mileages for all you walkers and joggers.

As always pets are welcome too but please leash and clean up after them. Pet waste stations are located throughout the park.

Our park is host to the Chambersburg Trojans Varsity and Jr. Varsity baseball teams. Visit our website for each team's schedule if you'd like to take in a game this spring.
