IN CASE OF EMERGENCY – DIAL 911

OFFICE HOURS

Monday - Friday, 8:00 AM – 4:00 PM

COMPOSTING FACILITY HOURS

Wednesday & Friday, 8:00 AM – 2:00 PM
 Saturday, 8:00 AM – 1:00 PM

Fall 2014 Bulk Collection

Mark Your Calendar!

Bulk Collection days for fall 2014 have been scheduled for:

Friday, September 12, 2014 7:00 AM – 3:00 PM
Saturday, September 13, 2014 7:00 AM – 3:00 PM

The collection will be at the Township building located at 1145 Garver Lane in the village of Scotland. This service is provided to the residents (not commercial) of Greene Township from the Supervisors.

Residents should bring drivers license as a form of identification or have a Greene Township identification sticker on the vehicle. A bulky item is an item that will not fit in your garbage container or weighs more than 50 pounds. Bulky items must be free of all garbage. Building materials, loose material, and items that can be broken down to fit in a garbage container are not bulky items and will not be accepted.

Please do not bring liquefied paints, spray cans, fuel drums, and other hazardous materials. We are unable to accept them. In addition, **construction debris will NOT be accepted.** Arrangements need to be made with the landfill to dump construction debris. We will accept items not picked up by your regular trash service but we **do NOT accept regular household trash (bags of garbage, recyclables, etc).** Yard waste is also not accepted during bulk collection. Greene Township accepts yard waste on a regular basis at our composting facility on Mickey Inn Road.

ELECTRONIC RECYCLING: We will be accepting "covered" electronic devices this fall. Covered devices include: desktop computers, laptop computers, computer monitors, computer peripherals & televisions.

NOTE: Vehicle batteries will be accepted again. We continue to accept 20 lb. propane bottles as well as up to eight tires per household for disposal. We can only accept standard car or pick-up truck tires. Rims and tires must be separated.

Composting Facility will be closed during Bulk Days

Fall 2014 Brush & Leaf Collection

Greene Township will be commencing brush and leaf collection this fall beginning on the following dates:

Brush: Monday, October 20

Leaves: Monday, November 17

The brush and leaves must be placed for pickup on the **first day** of their respective collection schedules. The collection crew will make **ONE** pass through the Township. Please place your brush and rake your leaves to the edge of your yard, **no further than 4 feet from the edge of the pavement of the road**. Do not bag your leaves. **Brush should be no longer than 8 feet in length and no bigger than 3 inches in diameter**. The brush and leaves must be on **separate piles** in order for the Township machinery to collect it. If the brush and leaves are not separated, they will not be collected. Please avoid placing brush and leaves next to mailboxes, fence posts, etc. as they can be damaged by the equipment.

Christmas tree collection will begin on **Monday, January 5, 2015**.

Parking Prohibited On Township Roads

The Greene Township Board of Supervisors would like to remind residents, property owners and visitors to our roadways, Section 94-8 of the Greene Township Code states, **“it shall be unlawful to park any vehicle upon the cartway or within two feet next adjacent to the cartway of Township roads.”**

It is an important safety issue that streets remain open for emergency vehicle passage and snow removal this winter. Violation of this section of the Township Code is punishable by fines.

Back to School

With summer ending and the start of school under way, drivers please do your part to keep our kids safe as they make their way to school. **Drive with care!**

Greene Twp. Partners with Occupational Services, Inc.

Greene Township has teamed up with Occupational Services, Inc. (OSI) to take on the task of scanning our Township files into digital format. Thanks to the efforts of the clients and coaches at OSI, all Greene Township documents will be one click away for our employees.

(Left to Right) Clients Lori Tindal and Megan Leasure with Job Coach Sharon Kline

About OSI. Occupational Services, Inc. (OSI) has been a mainstay in Franklin and Fulton Counties since 1957, and is based on the belief that everyone should have the opportunity to be a productive member of the community. OSI offers comprehensive vocational rehabilitation programs to individuals with disabilities such as mental retardation, mental health disorders, and various types of physical disabilities. They strive to instill a sense of pride through workmanship in each employee by enhancing their unique individual abilities and applying those abilities to daily production operations. They provide employment services to more than 140 individuals (clients) each day. Their programs are designed to help determine a person's work skills and work potential. Clients are trained on jobs that are commensurate with their abilities. Many individuals have been placed into competitive employment in the community through the efforts of OSI and the programs and services provided. Clients who work at OSI receive earnings for work completed. These earnings represent a “paycheck” and most of their clients see OSI as their place of employment. OSI is a modern facility with over 33,500-sq. ft. available for the programs offered. Please consider OSI the next time you plan to outsource a job. This “hidden gem” in our community would love to show you what they have to offer. For more information please call them at 717-263-9293 or 717-263-6674 or visit their website: www.osinc.org

Volunteer Fire Departments Providing Service to Greene Township

Fayetteville Volunteer – Ambulance 7-6 and Medic 7

Greene Township citizens and visitors have four volunteer fire departments that provide first due fire and EMS services. The four departments are Fayetteville Volunteer Fire Department, Franklin Volunteer Fire Department, Pleasant Hall Volunteer Fire Department, and West End Volunteer Fire and Rescue. All of these departments depend on donations and fundraisers to purchase equipment and provide training to the volunteers.

Franklin Volunteer – Ladder Truck

These departments respond to fires, car accidents, water rescues, medical calls, and numerous other calls. The men and women give up time with their families to come out and help during an emergency, fund raising activities and public education. The volunteer departments save thousands of dollars by providing these services. Please show your support by donating to any of the departments. If you are interested in becoming a volunteer please contact your local fire department or Greene Township.

Pleasant Hall Volunteer – Engine

Greene Township Park

Now you see it, now you don't!

If you've visited our park lately you may have noticed something different – or in particular – something missing. The old Knouse building located in the parking lot has been demolished. In our efforts to be as environmentally friendly as possible at our park all the material from the building was or will be reused. 200 tons of metal were separated for recycling while the concrete and block were crushed and used as fill for the hole left after demolition. Plans for the space are in the development stage.

Before Demolition

After Demolition

Happy Halloween!
