

## Brush Collection

Due to recent storms and the amount of limbs and trees that have fallen we will make one round to pick up brush when we pick up Christmas trees.

Brush should be no longer than 8 feet in length and no bigger than 3 inches in diameter. Place brush PARALLEL to the road. Please avoid placing brush next to mailboxes, fence posts, etc. as they can be damaged by the equipment. The composting facility is open this winter as well.

**Please note that this is the **BEGINNING** date for leaf collection. We ask for your patience as it may take a few weeks to complete the entire Township.**
