

# Greene Township Bulk Collection

Due to COVID-19, there will be some changes to our Bulk Collection on September 18 & 19, 2020. Thank you for your patience and understanding.

There will still be 3 unloading stations. Residents will be required to unload their own belongings into the equipment buckets provided by the Township. Township personnel will operate the equipment as usual and there will be Township personnel on the ground to direct residents where to place their belongings. In order to abide by social distancing guidelines, Township personnel will not be unloading material from vehicles.

The collection will be at the Township building located at 1145 Garver Lane in the village of Scotland. This service is provided to the residents (not commercial) of Greene Township from the Supervisors.

Residents should bring driver's license as a form of identification or have a Greene Township identification sticker on the vehicle. A bulky item is an item that will not fit in your garbage container or weighs more than 50 pounds. **Bulky items must be free of all garbage. Building materials, loose material, and items that can be broken down to fit in a garbage container are not bulky items and will not be accepted.**

Please do not bring liquefied paints, spray cans, fuel drums, and other hazardous materials. We are unable to accept them. In addition, construction debris will NOT be accepted. Arrangements need to be made with the landfill to dump construction debris. We will accept items not picked up by your regular trash service but we do NOT accept regular household trash (bags of garbage, recyclables, etc). Yard waste is also not accepted during bulk collection. Greene Township accepts yard waste on a regular basis at our composting facility on Mickey Inn Road.

We will be accepting up to **eight tires** per household **per day** for disposal – **no return visits**. We can only accept standard car or pick-up truck tires. Rims and tires must be separated. We continue to accept 20 lb. propane bottles.

## NO ELECTRONIC RECYCLING COLLECTION

We will not be accepting electronic devices such as TVs, computers, monitors, etc.

**Composting Facility will be closed during Bulk Days**
