The Chairman called everyone to order at approximately 7:00 P. M..

The Chairman acknowledged several students in the audience and asked them to introduce themselves. They did so and stated they were attending for a Civics class. The Chairman thanked them for attending, and informed them that if they had any questions they were welcome to ask during or after the Meeting.

The Chairman then stated that a Public Hearing regarding "Industrial Waste" was to be held at this time and asked the Township Solicitor to explain. The Solicitor stated that by law a legal advertisement cannot be placed in the paper more than thirty (30) days nor less than seven (7) days of the date of the intended public hearing. He stated that when the Board had taken action to schedule a public hearing it was more than 30 days and had missed placing the advertisement, therefore, the Board would need to set a new hearing date. He further noted there was no deadline for the hearing to be held and no costs had been incurred. He stated it was his responsibility to place the advertisement and it was his error and apologized to the Board.

On a motion by Todd E. Burns, seconded by Travis L. Brookens, and by a vote of 3-0, the Board unanimously voted that October 22, 2013 be set for a public hearing regarding "Industrial Waste" at 7:00 P. M., prevailing time, in the Greene Township Municipal Building, 1145 Garver Lane, Scotland, PA.

The Chairman adjourned at approximately 7:05 P. M..

Respectfully submitted,

Secretary
