The Greene Township Board of Supervisors held a Public Hearing on Tuesday, December 27, 2011, at the Township Municipal Building, 1145 Garver Lane, Scotland, PA. The Public Hearing was held to gain public input regarding a proposed ordinance setting new Supervisors compensation under certain conditions.

The Chairman called the Public Hearing to order at approximately 7:00 P. M..

The Township Solicitor explained the purpose of the ordinance stating that Supervisors compensation is based on population and in the past ten (10) years as part of the Census, Greene Township population grew which authorized an increase in compensation. He further explained that although a statute already does this, there still needs to be an ordinance.

There were no further comments from either any public in attendance or from any Board Member.

On a motion by Travis L. Brookens, seconded by Charles D. Jamison, Jr., and by a vote of 2-0-1, with Supervisor Todd E. Burns abstaining, the Board voted to adopt Township ***Ordinance No. 2011-6*** for Supervisors compensation for meetings be increased.

The Chairman noted that at this time, this ordinance would only affect re-elected Supervisors and others *after* January 1, 2012.

The Solicitor further explained that the law prohibits setting salary for sitting Supervisors and this is only for those taking office after enactment of this ordinance.

There being no further comments or business before the Board, the Chairman adjourned the Public Hearing at approximately 7:04 P.M..

Respectfully submitted,

Secretary
