The Chairman called the first Public Hearing to order at approximately 7:00 P. M..

The Chairman asked the Township Solicitor if the Public Hearing for Grandpoint Road had been duly advertised and the Solicitor stated 'yes'. The Chairman then asked the Solicitor to explain the purpose of the Public Hearing. The Solicitor stated that several years ago the Township undertook to rebuild Grandpoint Road and Kohler Road with portions of Grandpoint and Kohler that needed to be vacated and now because of that work, this Ordinance was required and needed to be acted upon by the Supervisors.

An unidentified audience member asked what 'vacating portions' meant and the Solicitor explained the process that adjoining landowner(s) as part of the road work had vacated certain portions of the road and all is part of an agreement between the landowner(s) and the Township.

Following review and discussion, on a motion by Travis L. Brookens, seconded by Charles D. Jamison, Jr., and by a vote of 2-0, with Member Burns absent, the Board unanimously voted that Township ***Ordinance No. 2011-4***, vacating portions of Grandpoint Road T-524, be approved as presented.

There being no further business before the Board for this Public Hearing, the Chairman adjourned at approximately 7:05 P.M..

Respectfully submitted,

Secretary
