The Chairman called the second Public Hearing to order at approximately 7:05 P. M..

The Chairman asked the Township Solicitor if the Public Hearing for Walker Road had been duly advertised and the Solicitor stated 'yes'. The Chairman then asked the Township Solicitor to explain the purpose of the Public Hearing. The Solicitor stated that on Walker Road there were two (2) 90-degree turns that wound around farm buildings on the Lamar and Lois White property. The Whites' dedicated new area of land to the Township in order to remove those two dangerous curves and with the former road area becoming private property. The Solicitor stated it is therefore necessary to hold a Public Hearing and the Board consider adopting an ordinance showing the vacating of those portions of roadway.

A second unidentified audience member asked if this was for only that portion and the Chairman stated 'yes'.

Following review and discussion, on a motion by Travis L. Brookens, seconded by Charles D. Jamison, Jr., and by a vote of 2-0, with Member Burns absent, the Board unanimously voted that Township ***Ordinance No. 2011-5***, vacating portions of Walker Road T-490, be approved as presented.

There being no further business before the Board for this Public Hearing, the Chairman adjourned at approximately 7:08 P.M..

Respectfully submitted,

---
