The Chairman called the Public Hearing to order at approximately 7:00 P. M.. He asked several students in attendance at this Meeting to stand and introduce themselves and stated they could ask questions during the Meeting or afterwards. He thanked the students for their attendance at this Meeting.

The Chairman asked the Township Solicitor to present this item. The Solicitor stated that earlier this year a model floodplain ordinance and all issues covered by the model ordinance were treated by portions of Section 105 of the existing Code. He stated this ordinance is to eliminate duplicating language and/or conflicting language in the existing Zoning chapter of the Greene Township Code as it relates to the recently adopted model ordinance developed by the Commonwealth of Pennsylvania and approved by FEMA for use for the National Flood Insurance Program in Pennsylvania.

There were no further comments offered by either the public in attendance at this Meeting or the Board of Supervisors.

Following review and consideration, on a motion by Todd E. Burns, seconded by Travis L. Brookens, and by a vote of 3-0, the Board unanimously voted that Township ***Ordinance No. 2012-7*** which is an amendment to Chapter 105, Section 105-14 for “Flood Hazard District” be approved as presented.

There being no further business regarding this Public Hearing, the Chairman adjourned (the Hearing) at approximately 7:05 P. M..

Respectfully submitted,
