The Chairman called the Public Hearing to order at approximately 7:00 P.M., and reminded everyone in attendance to sign in on the provided sheet and then welcomed everyone. He then noted there were three (3) Public Hearings set for this evening and asked the Township Solicitor to explain the reason for the first Public Hearing.

The Solicitor explained what the letters "PSATS" stood for (Pennsylvania State Association of Township Supervisors) and the organization has a 'group trust liabilities fund'. They have decided to change the trust agreement itself and must have an ordinance from participating municipalities to make it an *intergovernmental cooperation group*. Supervisor Brookens noted it is more of a formality because the Township has participated in the State Association's UC Group Trust for quite a few years. On a motion by Travis L. Brookens, seconded by Shawn M. Corwell, and by a vote of 3-0, the Board unanimously voted to adopt Township **Ordinance No. 2015-2** which authorizes the Township to participate in the PSATS Unemployment Compensation Group Trust pursuant to Pennsylvania Intergovernmental Cooperative Law, as presented.

There being no further comments and/or discussion regarding this Public Hearing, the Chairman adjourned at approximately 7:05 P.M..

Respectfully submitted,

---
