The Chairman called the Public Hearing to order at approximately 7:00 P. M..

Before beginning the proceedings, the Chairman noted the presence of several (school) students in attendance, welcomed them and asked they introduce themselves. He further noted that if they had any questions during the meeting to either ask during or after the meeting.

The Chairman proceeded by asking the Township Solicitor to explain the reason for this Public Hearing. The Solicitor stated that General Code had informed the Township that older language in previous printings was different than what was used in a recent printing. Therefore, he stated the Township needed to make a change in the "penalty" clause regarding stop signs to make all references to the Pennsylvania State Vehicle Code, however, the State Vehicle Code is changed at various times so this proposed Amendment will reflect those occasional changes.

There were no comments or questions offered by neither the Board nor those in attendance.

On a motion by Todd E. Burns, seconded by Travis L. Brookens, and by a vote of 3-0, the Board unanimously voted that Township **Ordinance No. 2013-8**, amending Chapter 94-3.C., to revise language regarding Stop sign penalties according to the State Vehicle Code.

There being no further business before the Board for this Public Hearing, the Chairman adjourned at approximately 7:02 P.M..

Respectfully submitted,

Secretary
