The Chairman called the Public Hearing to order at approximately 7:00 P. M..

The Chairman asked the Zoning Officer to present this item. The Zoning Officer stated that after a recent Ordinance adopted by the Board of Supervisors regarding the Flood Hazard District there were several sections that were overlooked and needed to be included. He noted it was basically a "housekeeping" issue. He referred to correspondence received from the Franklin County Planning Commission which stated their staff had reviewed the proposed amend/repeal of certain sections of the Chapter and would recommend approval.

Following review and consideration, on a motion by Todd E. Burns, seconded by Travis L. Brookens, and by a vote of 3-0, the Board unanimously voted that Township **Ordinance No. 2012-8** be approved as presented which amends and repeals certain sections of Chapter 105, Section 105-14 for "*Flood Hazard District*".

There being no further business before the Board for this Public Hearing, the Chairman adjourned at approximately 7:04 P. M..

Respectfully submitted,

Secretary
