The Chairman called the Public Hearing to order at approximately 7:04 P. M..

The Chairman asked the Township Solicitor to proceed. The Solicitor stated the Township was requested to accept a small length of street known as Marcella Drive from Carrannante Townhomes developer. The Township has accepted that street dedication and discovered there was not an ordinance to enforce existing Stop signs placed on Marcella Drive. He presented a proposed ordinance regarding enforcement of the existing Stop signs on Marcella Drive at two different locations, both of which intersect with McCleary Drive which curves through the development. He noted this Public Hearing also was advertised as required.

There were no comments offered by neither the Board Members nor those present in the audience at this Public Hearing.

On a motion by Todd E. Burns, seconded by Travis L. Brookens, and by a vote of 3-0, the Board unanimously voted that Township **Ordinance No. 2013-6** regarding Stop signs on Marcella Drive be approved as presented.

There being no further business regarding this Public Hearing before the Board, the Chairman adjourned at approximately 7:08 P.M..

Respectfully submitted,

Secretary
