The Chairman called the Public Hearing to order at approximately 7:00 P. M..

The Zoning Officer presented and read (written) correspondence received by the Township from Trinbar LLC dated February 17, 2011 whereby they requested to withdraw their application of zoning map amendment change as previously requested. The Chairman stated that in view of this fact, no public hearing was required to be held.

A member of the audience asked if that was all the letter contained and if there was any other explanation given than what was read and the Chairman stated 'yes' and further noted that not all questions from a previous meeting had been answered to date.

On a motion by Todd E. Burns, seconded by Travis L. Brookens, and by a vote of 3-0, the Board unanimously voted the letter of withdrawal received from Trinbar LLC be accepted for the (withdrawal) of the request for zoning map change amendment previously submitted.

There being no further business before the Board regarding this Public Hearing, the Chairman adjourned the Hearing at approximately 7:05 P.M..

Respectfully submitted,

---

Secretary
